

15th International Conference on Mechanical Engineering

📍 BUET, Dhaka-1000, Bangladesh

📅 17-18 December, 2025

Meet local and global experts in sharing cutting-edge research and innovations in mechanical and allied engineering. Be part of shaping the next-gen solutions

Submit your manuscript by September 15, 2025

SCOPE

Aerodynamics and Aerospace Technology
Automobile Engineering
Biomedical Engineering and Biotechnology
Conventional and Renewable Energy
Combustion and Pollution
Energy and Environment
Engineering Materials
Heat and Mass Transfer
HVAC and Building Mechanical Systems
Instrumentation and Control Engineering
Manufacturing and Production Processes

Fluid Engineering
Mechanics of Solids and Structures
Mechatronics and Robotics
MEMS and Nanotechnology
Multiphase Flow
Non-destructive Testing and Evaluation
Noise and Vibration
Nuclear Engineering
Oil and Gas Exploration
Tribology and Surface Engineering
Relevant 4-IR topics
